**TRADE CIRCULAR** - 01/2022.

**Sub:** Registration of Unorganized Dock Workers in e-shram portal - reg.

\*\*\*

Ministry of Labour & Employment, Govt of India has developed e-SHRAM online portal (<https://eshram.gov.in>) for creating a National Database of Unorganised Workers (NDUW) which will be seeded with Aadhaar. It will have details of name, occupation, address, educational qualification, skill types and family details etc. for optimum realization of their employability and extend the benefits of the social security schemes to them. It is the first ever national database of unorganised workers including migrant workers, construction workers, gig and platform workers etc.

Inspectorate of Dock Safety had sought the details from New Mangalore Port Trust regarding the details of the unorganised workers working in the Port as well as their registration in e-SHRAM portal. It has been requested to provide the details of the same to IDS on daily basis through email for further transmission to DG & Chief Inspectorate of Dock Safety.

In view of the above all Port Users especially, the Stevedores and C&F agents of New Mangalore Port are advised to ensure that they register the unorganised workmen employed by them in the e-SHRAM portal and share the details with Traffic Department and Safety Officer by **18.01.2022**.
