TRADE NOTICE

Sub: Utilization of Berth No. 15- Grant of rebate on shifting charges for cargo vessels (other than UPCL vessels) - Reg.

In the absence of other deep drafted berths and for optimum utilization of the Berth No 15, as a trade facilitation measure deep drafted Edible Oil vessels are being handled at Berth No.15. These vessels may require shifting to other berths/anchorage and subsequent re-berthing to accommodate the vessels of M/s Adani UPCL at Berth No. 15 which incurs additional expenditure to the steamer agent/importer.

Hence, to promote utilization of the Berth No. 15 and incentivize calling of deep drafted vessels handling edible oil at the Port, the Board of New Mangalore Port Authority has approved to grant 50% rebate on Pilotage/shifting charges for shifting of cargo vessels (other than the vessels of M/s Adani UPCL) from Berth No. 15 to anchorage or any other berth and re-berth/shift to Berth No.15.
