70.1 PENALTY ON NON AVAILABILITY OF BOAT DURING THE CONTRACT PERIOD

If the boat fails to perform/provide service fulfilling the contractual obligations, penalty as follows will be imposed.

- a) If the boat is not available for operations for hours or part thereof, it would be considered as full hours. For example, if the Boat is not available for 1 hour 20 minutes, Non availability is considered as 2 hours and so on. If Non availability of boat is for 24 hours, it will be considered as 1 day, 48 hours is 2 days, 72 hours is 3 days and so on.

b) The penalty would be levied for non-availability of boat is as follows:

- 1 to 7 days = 25 % of hire charges per day + Non payment of hire charges
- 8 to 14 days = 50 % of hire charges per day + Non payment of hire charges
- 15 to 21 days = 75 % of hire charges per day + Non payment of hire charges
- 22 to 30 days = 100 % of hire charges per day + Non payment of hire charges
- 1 to 23 hours = 25% of hire charges per hour + Non payment of hire charges per hour on pro rata basis.

An example of calculation of penalty for non-availability of boat say 51 hours with applicable day hire charges, say Rs.24,000/- per day, is shown below.

For 2 days against 48 hours of non availability: 25 % of Rs.24,000/- x 2 days + Non payment of hire charges for 2 days = 12,000 + 48,000 =	Rs.60,000
For 3 hours of non availability: Applicable per hour charge = 24000/24 = Rs. 1000/hour 25 % of Rs.1000/- x 3 hours + Non payment of hire charges per hour = (750 + 3000) =	Rs.3,750
Total amount will be deducted for 51 hour non availability of boat from monthly bill =	Rs.63,750

Note: While imposing penalty GST shall be collected.

The penalty would be recovered from the running account bill payment due to the firm or firm would have to make the payment as applicable.

However, if the contractor is not providing a BOAT as per the contract even after non availability of boat for 36 days (6 days down time + 30 days penalty duration), the contract is liable to be terminated, subject to decision of the Management.

70.2 Non availability of boat may be adjusted against Downtime available in firm's account. If the non-availability is say for total 26 hours, 24 hours may be adjusted against 1 day down time available in firm's account subject to firm submitting a written request in this regard and acceptance of the same by the Deputy Conservator. For remaining 2 hours penalty shall be imposed as per **clause No. 70.1** of GCC.

70.3 PENALTY FOR LOWER SPEED:

The Port reserves the right to check the speed of the Patrol Boat at its discretion at any time during the currency of the contract. In case, the speed of the patrol boat falls below **23 knots**, NMPA reserves the right to impose penalty per day or part thereof @ **10 %** of the per day hire charges for every short fall of 1 knot speed, @ **20 %** of the per day hire charges for the short fall of 2 knots speed, @ **30 %** of the per day hire charges for the short fall of 3 knots speed and so on, However, if the speed of the boat falls below **17 knots or continues**, the Charterer (NMPA) reserves the right to terminate the contract as per **Clause No.4 of GCC**.
