OFFICE MEMORANDUM

Sub: Security measures to be followed by the employees and visitors entering Port area including Admin Building and residential colony - reg.

Keeping in view the security alerts issued by the Government of India, it is necessary to ensure high level security in the Port area. In this direction, the CISF and security agency shall enforce a strict security check of persons and vehicles entering the Port areas including Admin building and residential colony.

All the employees and stake holders are requested to extend their cooperation and submit themselves to the security check at all entrance and exits without causing any inconvenience to the security forces.

The HODs are requested to give wide publicity within the employees and the stake holders of the departments. It was further decided not to allow port visits to guests and outside visitors with immediate effect until further orders.
