TRADE CIRCULAR

Sub: Re- fixation of norms under clause 7(3) (b) of NMPT (Licensing of Stevedoring and Shore handling Regulations) 2019 - Reg.

Ref: The Gazette of India publication in Part II- Sec3 (iii) dated 19.03.2019

As per Clause 7(3)(b) of the NMPT (Licensing of Stevedoring and Shore Handling) Regulations, 2019, a stevedoring and shore handling licence is eligible for renewal if the licensee has handled a minimum of 50,000 metric tonnes of cargo per annum, or such other volume of cargo as the Port Authority Board may fix from time to time.

In this regard, the Port Authority Board has resolved to refix the cargo handling norms for renewal of licences as follows:

“The minimum volume of cargo required for licence renewal under Clause 7(3)(b) shall be 15,000 metric tonnes, cumulatively handled during the validity of the existing licence period.”

This revised threshold shall be applicable for all licence renewals processed from the year 2025 onwards. All Stevedoring and Shore Handling Agents are hereby advised to take note of this revision and ensure compliance while submitting their applications for licence renewal.

TRAFFIC MANAGER

To: All Stevedoring and Shore handling agents
