The Secretary, Ministry of Finance, Department of Revenue vide letter under reference informed that CBIC has optimized its risk management using Artificial Intelligence (AI) techniques to increase the facilitation levels of import cargo to 90% from 15th July 2021 to clear more consignments immediately on arrival which will further increase the way for direct delivery from the Port and will cut down time and cost borne by the importers.

Further, to encourage more importers to avail the facility of DPD, eligibility conditions for DPD clearances has been liberalized by CBIC to enable every consignment facilitated for Direct Delivery from the Ports. This is an ideal shift from entity based DPD to Customs Document (Bill of Entry) based DPD which will not create any hindrance for importers to the present requirements of the Port / Terminal for availing DPD.

C&F Agents, Importers and Shipping Lines at New Mangalore Port Trust are advised to take note of the above facilities extended by CBIC.

15<sup>th</sup> July, 2021

Dear Dr. Ranjan,

As you are aware, the Customs department has taken several measures for fostering an environment of Ease of Doing Business by way of faster clearances of goods.

2. As a part of this continuing initiative, the CBIC has optimized its risk management using Artificial Intelligence (AI) techniques to increase the facilitation levels of import cargo to 90% from the 15<sup>th</sup> July, 2021. This would result in more number of consignments getting cleared immediately on arrival, thereby paving way for delivery directly from the Port. This would substantially reduce the time and cost being borne currently by the importers.
3. Further, to encourage more importers to avail the facility of Direct Port Delivery (DPD), eligibility conditions for DPD clearance has been liberalized to enable every person whose consignment has been facilitated to take delivery of the goods directly from the Port. This is a paradigm shift from entity based DPD to Customs document (Bill of Entry) based DPD. The importers would continue to adhere to the present requirements, if any, of the port/terminal for availing DPD.
4. You would appreciate that enhanced DPD requires active participation and co-operation from stakeholders such as port authorities, terminals etc for effective implementation. I, therefore, request you to sensitize these stakeholders to make concerted efforts to make this initiative successful in order to promote the Ease of Doing Business. I am separately apprising Cabinet Secretary of this initiative.

With regards

Yours sincerely,

(Tarun Bajaj)

Subject: Liberlization of eligibility conditions for DPD clearance - reg.

Sir/Madam,

I am directed to forward herewith a copy of the DO letter dated 15.07.2021 from Secretary, Department of Revenue and to inform that CBIC has optimized its risk management using Artificial Intelligence (AI) techniques to increase the facilitation levels of import cargo to 90% from 15<sup>th</sup> July 2021 to clear more consignments immediately on arrival which will further increase the way for direct delivery from the Port and will cut down time and cost borne by the importers. This is an ideal shift from entity based DPD to Customs Document (Bill of Entry) based DPD which will not create any hindrance for importers to the present requirements of the Port / Terminal for availing DPD.

2. You are requested to take active participation for effective implementation of the above initiative as well as sensitize concerned stakeholders in order to promote Ease of Doing Business.
3. You are also requested to forward your action plan in this regard.

Yours faithfully,
