Sir,**Sub:** NMPA-EE(E)II-ON & OFF SITE Calibration of Relays, Energy Meters etc. –
Quotation Requested - Reg.

It is proposed to carry out **“ON & OFF SITE Calibration of Relays, various measuring instruments & Energy Meters at 33KV MUSS, 11KV Sub Stations and other areas at NMPA premises Panambur, Mangaluru”** as detailed in the **annexure-I** enclosed herewith and in accordance with the Terms and Conditions as detailed below. Please be good enough to send your lowest offer for the Proposed items.

The offers may be sent by Post/Courier duly addressed to Executive Engineer Electrical division, Admin Building, NMPA Panambur, Mangaluru – 575010 not later than **3.00PM on 31.08.2022**. Quotations will be opened on the same day at 3.30 PM in the presence of the Tenderers who wish to be present.

Terms & Conditions:

1. The Agency shall have a **valid License** issued by the **Chief Electrical Inspector to Govt. of Karnataka or any Authorities** to carry out the **Calibration work. Copy of the same shall be enclosed along with the**

offer. Without valid license, the offer is liable for rejection. The valid **GST** Registration Certificate also to be enclosed.

2. The Calibration of all the Meters shall be carried out ON & OFF SITE at NMPA Panambur, Mangaluru.
3. The completion period for entire work shall be **45 days** from the date of issue of work Order.
4. **Three Phase Kit** should be used for testing the **three Phase Energy Meters** with 1/10th of full load, 25%, 50%, 75% & 100% load.
5. The rates quoted shall be FIRM and inclusive of Transportation of Testing Equipments, Labour, Incidentals, Testing Tools, Food, Accommodation and Transport to the Officials etc. complete.
6. **Applicable Taxes, duties shall be mentioned separately. The statutory Taxes will be paid on production of documentary evidences.**
7. Please note that NMPA is not issuing '**C**' or '**D**' concessional Forms.
8. No advance payment will be made. Full payment will be made within 15 days from the date of completion of the work to the entire satisfaction of the Engineer-in-charge through E-Payment.
9. No Men, Materials, Testing Equipments, Food & Accommodation, Transport will be provided throughout the work departmentally.
10. Please note that Income Tax and other applicable Tax will be deducted at source and Certificate to this effect will be issued.
11. Necessary Power shutdown will be made if required, during the work.
12. Available Single Line Diagram/As-Built Drawings will be made available for reference during the work.
13. Necessary Port Entry passes will be arranged for the working officials, vehicles, equipments, tools etc. by the Department as per rule on chargeable basis.
14. Any damages to the Departmental Property if found during the work shall be to your account only.
15. The Tenderer shall be responsible for taking precautionary measures for the safety of the workmen working under him and the responsibility arising due to any mishap during the execution of work, payment of any compensation etc., lies entirely on the part of the

Contractor. Safety Items required while working are to be provided by the Contractor.

16. The Tenderer has to submit an undertaking before the commencement of work as follows:
 - i) We shall ensure that our workforce will be provided with and use all the necessary safety gears and equipments required for the job.
 - ii) We shall follow all the required safety procedure while executing the job.
 - iii) We indemnify the Port for any accidents / incidents while carrying out the contract.
 - iv) We have read and fully understood the enclosed Standard Operating Procedures (SOP) and shall strictly follow the same while executing the job.
17. After completion of the Testing/Calibration of all the Meters, a detailed Report in duplicate shall be submitted along with the comments/suggestions/inference.
18. It is advised to visit the Site and get acquaint yourself regarding the nature of the work involved at site conditions before quoting, if required.
19. List of Organizations/Companies where similar Calibration & Testing of Relays/Measuring Instruments/Energy Meters have been carried out shall be enclosed along with the offer.
20. The time for completion of work should be adhered strictly and in any event of failure to complete the work in time or by expiry of any period of extension granted, the Tenderer shall pay as compensation by way of penalty @ **0.5% per week** on the tendered value of the work which remains unfinished subject to a **maximum of 10%** of the total contract value irrespective of any kind of reason put forth by the Tenderer, except on account of delay at the instance of the Port Authority or due to natural calamities.
21. The acceptance of the Tender rests with the competent authority of NMPA who does not bind himself to accept the lowest Tender and reserves to himself the authority to reject any or all the Tenders received without assigning any reason.

Yours faithfully,

Seal and sign of contractor

Executive Engineer (Ele)II
NMPA, Panambur

SCHEDULE OF WORK

Name of work: ON & OFF SITE Calibration of Relays, various measuring instruments & Energy Meters at 33KV MUSS and 11KV Sub Stations and other areas at NMPA premises.

Sl No	Description of Work	Qty Nos	Rate/Unit in Figure (Rs.)	Rate per Unit in words (Rupees.....)	Amount (Rs)
1.	Calibration of Relays as per the annexure enclosed herewith	201			
2.	Calibration of Multi data Meters	46			
3.	Calibration of Trivector Meters.	6			
4.	Calibration of Three Phase Energy Meters.	24			
5.	Calibration, Testing of Voltmeter	48			
6.	Calibration, Testing of Ammeter	74			
7.	Calibration & Testing of Wattmeter	8			
8.	Calibration & Testing of Mega Watt meters	2			
9.	Calibration & Testing of Frequency Meter.	2			
10.	Calibration & Testing of Power Factor Meter	6			
11.	Calibration, Testing of Auto range Multi meter (Digital).	1			
12.	Calibration, Testing of Clamp meter	1			
13.	Calibration of Megger 5KV	1			
14.	Calibration LUX Meter	1			
	Sub Total				
	Applicable GST (% & amount)				
	Grand Total.
