TRADE NOTICE

Sub: Unauthorised Parking of Trucks on Beach Road - Reg.

With a view to ease traffic congestion in the port vicinity and avoid unauthorised vehicle parking on the road, New Mangalore Port Authority has developed the KK Gate truck terminal which can accommodate about 250 trucks. Additional truck parking area near the existing truck terminal has also been developed with toilet blocks and rest rooms for the convenience of the drivers.

2. It is observed that even after regular persuasion, truck owners/drivers are unwilling to use the facility to the fullest and continue to park the vehicles on the roads near KK Gate creating hindrances in the movement and making the area accident prone

3. In this regard, it is advised that all trucks are to mandatorily wait in the truck parking terminal and avoid parking on the roads near KK Gate. With effect from 15 October 2022, trucks which are found to be parked unauthorised on the beach road leading to KK Gate will be restricted from entry to Port for a period of **3 days**. Repeated non-compliance may lead to permanent blacklisting of the vehicles from entry to the port.
