TRADE CIRCULAR

Sub: Unauthorized Parking of Tankers on Tannirbhavi Road

It has been observed that there are long queues of Tankers waiting to be serviced by the Oil Terminals at the Tannirbhavi Road outside the SJ Gate of the Port. This is causing inconvenience to Traffic movement on the road. With new tank terminals coming up in the area, it is required to develop a mechanism to avoid undue waiting of tankers on the road resulting in unauthorized parking.

For effective mitigation of this issue, the respective Oil Terminals are hereby advised to restrict the calling of tankers to the terminals limited to the parking capacity available with them. The Terminals are advised to implement **Gate appointment System** whereby the tankers coming to the terminals are given dedicated time slots for reporting at the facility. These initiatives may be taken latest by 15.05.2023 and a compliance report may be given to the Port.
