30.01.2025

TRADE CIRCULAR

Sub: Harit Shrey – Reg.

In order to promote green shipping under 'Harit Sagar' Green Port Guidelines issued by MoPSW, it has been decided to award eco-friendly vessels on the basis of ESI score given by IAPH.

A scheme "Harit Shrey" is proposed to be initiated, wherein the efforts of ship owners are recognised and appreciated by way of providing discounts in the Port charges with the approval of the Board as follows :

- To fix the quantum of discount on the **Port Dues** component of the Vessel Related Charges, for all vessels which are calling at berths of NMPA for the purpose of cargo operations (loading / unloading) :
 - Which have an ESI score of 30 or more but less than 40 – Half a percent (0.5 %).
 - Which have an ESI score of 40 or more but less than 50 - One percent (1.0 %).
 - Which have an ESI score of 50 or more – One and a half percent (1.5 %).
- To avail such discounts the vessel agent will have to produce Vessel master's countersigned copy of the certificate issued by IAPH, clearly listing out the ESI score.
- All vessels calling at NMPA, will have to mandatorily submit the certificate mentioned at (2) above irrespective of whether the discount mentioned at (1) above is applicable or not. If a vessel is not having such a certificate then a self-declaration from the vessel or the agent must be submitted stating that the vessel is not having an ESI score issued by IAPH.
- These discounts shall be applicable for all vessels calling at Ports berths immediately and will be valid till 31.03.2025 and will be reviewed thereafter.
