Dated: 10.01.2014

Circular

It is has been observed that applications for deputation/promotion etc. are being forwarded by the Administrative Sections to various organisations without obtaining vigilance clearance of the applicants from the Vigilance Desk of the Ministry and vigilance clearance is sought only on their selection. This practice is not in order as this results in embarrassing situations.

2. It is therefore, requested that vigilance clearance may be sought before forwarding the applications to various organisations for deputations/promotions etc. Also request for vigilance clearance may be sent atleast seven working days before the deadline. Any deviation from these instructions will be viewed seriously.

3. This issues with the approval of the Secretary (Shipping).
